If you Post a photograph or image to the Service that includes one or more persons, you hereby grant such persons and their administrators, guardians, heirs, and trustees, if any, an irrevocable, perpetual, royalty free, fully paid-up, worldwide license to reproduce, distribute, and publicly display that photograph for personal use and through any online platform or service, including the Service, Facebook, Instagram, and Twitter, but not to promote any third-party product, good, or service. The license contained in this Section does not permit the subject of any photo or their administrators, guardians, heirs, or trustees to sell that image or photograph, whether on a standalone basis or as embodied in any product.

7.5 You Must Have Rights to the Content You Post; User Content Representations and Warranties. You must not Post User Content if you are not the owner of or are not fully authorized to grant rights in all of the elements of that User Content. Rarible disclaims any and all liability in connection with User Content. You are solely responsible for your User Content and the consequences of providing User Content via the Service. By providing User Content via the Service, you affirm, represent, and warrant to us that:

- (a) you are the creator and owner of the User Content, or have the necessary licenses, rights, consents, and permissions to authorize Rarible and Users of the Service to use and distribute your User Content as necessary to exercise the licenses granted by you in this Section, in the manner contemplated by Rarible, the Service, and these Terms;
- (b) your User Content, and the Posting or other use of your User Content as contemplated by these Terms, does not and will not: (i) infringe, violate, misappropriate, or otherwise breach any third-party right, including any copyright, trademark, patent, trade secret, moral right, privacy right, right of publicity, or any other intellectual property, contract, or proprietary right; (ii) slander, defame, libel, or invade the right of privacy, publicity or other property rights of any other person; or (iii) cause Rarible to violate any law or regulation or require us to obtain any further licenses from or pay any royalties, fees, compensation or other amounts or provide any attribution to any third parties; and

You understand that, when using the Service, you will be exposed to User Content from a variety of sources and acknowledge that User Content may be inaccurate, offensive, indecent, or objectionable. Rarible makes no representations or warranties as to the quality, origin, or ownership of any content found in the Service. Rarible will not be liable for any errors, misrepresentations, or omissions in, of, and about, the content, nor for the availability of the content. Rarible will not be liable for any losses, injuries, or damages from the purchase, inability to purchase, display, or use of content. You agree to waive, and do waive, any legal or equitable right or remedy you have or may have against Rarible with respect to User Content. If notified by a User or content owner that User Content allegedly does not conform to these Terms, we may investigate the allegation and determine in our sole discretion whether to remove the User Content, which we reserve the right to do at any time and without notice. For clarity, Rarible does not permit infringing activities on the Service.

You should consult with your own lawyer or see 17 U.S.C. § 512 to confirm your obligations to provide a valid notice of claimed infringement.

8.4 Repeat Infringers. Rarible's policy is to: (a) remove or disable access to material that Rarible believes in good faith, upon notice from an intellectual property rights owner or authorized agent, is infringing the intellectual property rights of a third party by being made available through the Service; and (b) in appropriate circumstances, to terminate the accounts of and block access to the Service by any user who repeatedly or egregiously infringes other people's copyright or other intellectual property rights. Rarible will terminate the accounts of users that are determined by Rarible to be repeat infringers. Rarible reserves the right, however, to suspend or terminate accounts of users in our sole discretion.

8.5 Counter Notification. If you receive a notification from Rarible that material made available by you on or through the Service has been the subject of a Notification of Claimed Infringement, then you will have the right to provide Rarible with what is called a "**Counter Notification**." A party submitting a Counter Notification should consult a lawyer or see 17 U.S.C. § 512 to confirm the party's obligations to provide a valid counter notification under the Copyright Act.

8.6 Reposting of Content Subject to a Counter Notification. If you submit a Counter Notification to Rarible in response to a Notification of Claimed Infringement, then Rarible will promptly provide the person who provided the Notification of Claimed Infringement with a copy of your Counter Notification and inform that person that Rarible will replace the removed User Content or cease disabling access to it in 10 business days, and Rarible will replace the removed User Content and cease disabling access to it not less than 10, nor more than 14, business days following receipt of the Counter Notification, unless Rarible's Designated Agent receives notice from the party that submitted the Notification of Claimed Infringement that such person has filed an action seeking a court order to restrain the user from engaging in infringing activity relating to the material on Rarible's system or network.

8.7 False Notifications of Claimed Infringement or Counter Notifications. The Copyright Act provides at 17 U.S.C. § 512(f) that:

- (s) engage in or knowingly facilitate any “rug pulls,” “front-running,” “wash trading,” “pump and dump trading,” “ramping,” “cornering” or fraudulent, deceptive or manipulative trading activities, including:
 - (i) trading Collectibles at successively lower or higher prices for the purpose of creating or inducing a false, misleading or artificial appearance of activity in such Collectible, unduly or improperly influencing the market price for such Collectible or establishing a price which does not reflect the true state of the market in such Collectible;
 - (ii) creating or inducing a false or misleading appearance of activity in any Collectibles or creating or inducing a false or misleading appearance with respect to the market in any Collectibles: (1) executing or causing the execution of any transaction in any Collectibles which involves no material change in the beneficial ownership thereof; or (2) entering any order for the purchase or sale of any Collectibles with the knowledge that an order of substantially the same size, and at substantially the same price, for the sale of such Collectible, has been or will be entered by or for the same or different parties;
 - (iii) participating in, facilitating, assisting or knowingly transacting with any pool, syndicate or joint account organized for the purpose of unfairly or deceptively influencing the market price of any Collectibles; or

- (t) use the Service to transact in securities, commodities futures, trading of commodities on a leveraged, margined or financed basis, binary options (including prediction-market transactions), real estate or real estate leases, equipment leases, debt financings, equity financings or other similar transactions;
- (u) use the Service to buy, sell or advertise personal, professional or business services;
- (v) use the Service to engage in token-based or other financings of a business, enterprise, venture, DAO, software development project or other initiative, including initial coin offering, DAO initial coin offering, initial exchange offering, yield farming or other token-based fundraising events;
- (w) use the Service for money laundering, terrorist financing, or other illicit finance; or
- (x) attempt to do any of the acts described in this Section 9.2 or assist or permit any person in engaging in any of the acts described in this Section 9.2.

10. MODIFICATION OF TERMS. We may, from time to time, change these Terms. Please check these Terms periodically for changes. Revisions will be effective immediately except that, for existing users, material revisions will be effective 30 days after posting or notice to you of the revisions unless otherwise stated. We may require that you accept the modified Terms in order to continue to use the Service. If you do not agree to the modified Terms, then you should remove your User Content and discontinue your use of the Service. Except as expressly permitted in this Section 10, these Terms may be amended only by a written agreement signed by authorized representatives of the parties to these Terms. It is your sole responsibility to review the Terms and understand modifications to these Terms as they may be updated from time to time.

11. TERM, TERMINATION, AND MODIFICATION OF THE SERVICE

11.1 Term. These Terms are effective beginning when you accept the Terms or first download, install, access, or use the Service, and ending when terminated as described in Section 11.2.

11.2 Termination. If you violate any provision of these Terms, your authorization to access the Service and these Terms automatically terminates. In addition, Rarible may, at its sole discretion, terminate these Terms or your Account, or suspend or terminate your access to the Service, at any time for any reason or no reason, with or without notice. You may terminate your Account and these Terms at any time by visiting [\[customer support link\]](#) or by contacting customer service at dispute@rarible.com.

11.3 Effect of Termination. Upon termination of these Terms: (a) your license rights will terminate and you must immediately cease all use of the Service; (b) you will no longer be authorized to access your Account or the Service; (c) you must pay Rarible any unpaid amount that was due prior to termination; and (d) all payment obligations accrued prior to termination and Sections 5.1, 5.3, 7.2, 7.3, 9, 11.3, 12, 13, 13.3, 14.10, and 15 will survive.

11.4 Modification of the Service. Rarible reserves the right to modify or discontinue the Service at any time (including by limiting or discontinuing certain features of the Service), temporarily or permanently, without notice to you. Rarible will have no liability for any change to the Service or any suspension or termination of your access to or use of the Service.

12. INDEMNITY. To the fullest extent permitted by law, you are responsible for your use of the Service and for any Minor's use of the Service occurring through your Account, and you will defend and indemnify Rarible, its affiliates and their respective shareholders, directors, managers, members, officers, employees, consultants, and agents (together, the "**Rarible Entities**") from and against every claim brought by a third party, and any related liability, damage, loss, and expense, including attorneys' fees and costs, arising out of or connected with: (1) your or your Minor's unauthorized use of, or misuse of, the Service; (2) your or your Minor's violation of any portion of these Terms, any representation, warranty, or agreement referenced in these Terms, or any applicable law or regulation; (3) your or your Minor's violation of any third-party right, including any intellectual property right or publicity, confidentiality, other property, or privacy right; or (4) any dispute or issue between you or your Minor and any third party. We reserve the right, at our own expense, to assume the exclusive defense and control of any matter otherwise

subject to indemnification by you (without limiting your indemnification obligations with respect to that matter), and in that case, you agree to cooperate with our defense of those claims.

13. LIMITATION OF LIABILITY; DISCLAIMER OF WARRANTIES; NO WARRANTY BY RARIBLE

13.1 No Responsibility for NFTs or Collectibles; No Guarantee of Uniqueness or IP. Rarible has no responsibility for Collectibles that Users trade via the Service. Rarible does not investigate and cannot guarantee or warrant the authenticity, originality, uniqueness, marketability, legality, or value of any Collectibles that Users trade on the Service. The Collectible ID of an NFT and the content embodied therein specifies the properties of the NFT and the content embodied therein, including the name and description of the NFT and the content embodied therein (the “**Collectible Descriptors**”), a URI identifying any image file associated with the Collectible (the “**Collectible Image**”) and potentially other “metadata” associated with the Collectible (the Collectible Descriptors, Collectible Image and such other metadata, collectively, the “**Collectible Metadata**”). The Collectible Metadata for Collectibles that are created through the Rarible Applications may be stored on InterPlanetary File System (“**IPFS**”) through a third-party distributed cloud service (e.g., Pinata) or a third-party storage chain (e.g., Filecoin). The Collectible Metadata for Collectibles that are created outside the Rarible Applications may be stored in other ways, depending on how such Collectibles were created. There can be no guarantee or assurance of the uniqueness, originality or quality of any Collectible or Collectible Metadata. In the absence of an express legal agreement between the creator of any Collectibles and purchasers of Collectibles, there cannot be any guarantee or assurance that the purchase or holding of Collectibles confers any license to or ownership of the Collectible Metadata or other intellectual property associated with Collectibles or any other right or entitlement, notwithstanding that you may rightfully own or possess the Collectible. Rarible may from time to time remove certain Collectibles from the Service or restrict the creation of Collectibles on the Service in Rarible’s sole and absolute discretion, including in connection with any belief by Rarible that such Collectibles violate these Terms. Rarible does not commit and will not be liable for any failure to support, display or offer or continue to support, display, or offer any Collectibles for trading through the Service.

13.2 No Professional Advice or Liability. All information provided by or on behalf of Rarible is for informational purposes only and should not be construed as professional, accounting, or legal advice. You should not take or refrain from taking any action in reliance on any information contained in these Terms or provided by or on behalf of Rarible. Before you make any financial, legal, or other decisions involving the Service, you should seek independent professional advice from persons licensed and qualified in the area for which such advice would be appropriate. You must always use caution when giving out any personally information to other Users or third-party linked websites through the Service. Rarible does not control or endorse User Content, any third-party content, messages, or information found in the Service and Rarible will not be liable for any use or misuse of User Content by any User. Rarible specifically disclaims any liability with regard to the Service and any actions resulting from your use of the Service.

13.3 Disclaimers Related to Blockchain Technology. To the maximum extent permitted by applicable law, and notwithstanding anything otherwise expressly provided herein, Rarible disclaims any and all liability related to the following:

- (a) *Use of Blockchain Technology.* Rarible utilizes experimental cryptographic and blockchain technologies, including tokens, cryptocurrencies, stablecoins, “smart contracts,” consensus algorithms, voting systems and distributed, decentralized or peer-to-peer networks or systems in providing the Service. You acknowledge and agree that such technologies are novel, experimental, and speculative, and that therefore there is significant uncertainty regarding the operation and effects and risks thereof and the application of existing law thereto. To the maximum extent permitted by applicable law, Rarible disclaims any and all liability related to the foregoing.
- (b) *Certain Risks of Blockchain Technology.* The technology utilized in delivering the Service depends on public peer-to-peer networks such as the Rarible-Supported Blockchains that are not under the control or influence of Rarible and are subject to many risks and uncertainties. Rarible may have limited or no ability to change these technologies, other than ceasing to support certain “smart contracts” and adding support for new “smart contracts”. You are solely responsible for the safekeeping of the private key associated with the Rarible-Supported Blockchain address used to participate in the Service. Rarible will not be able to restore or issue any refunds due to lost private

keys. If you are not able to use the Service due to loss or theft of a private key or otherwise, Rarible does not guarantee and is not responsible for your ability to exercise their rights with respect to such Collectible or any other applicable digital assets.

- (c) *Certain Risks of Smart Contract Technology.* NFTs and the content embodied therein and other digital assets relevant to the Service depend on smart contracts deployed to Rarible-Supported Blockchains, and some may be coded or deployed by persons other than Rarible. Once deployed to Rarible-Supported Blockchain(s), the code of smart contracts cannot be modified. In the event that applicable smart contracts are adversely affected by malfunctions, bugs, defects, malfunctions, hacking, theft, attacks, negligent coding or design choices, or changes to the protocol rules of any Rarible-Supported Blockchain, you may be exposed to a risk of total loss and forfeiture of all Collectibles and other relevant digital assets.
- (d) *Asset Prices.* The fiat-denominated prices and value in public markets of assets such as ETH, Collectibles, and other digital assets have historically been subject to dramatic fluctuations and are highly volatile. As relatively new products and technologies, blockchain-based assets are not widely accepted as a means of payment for goods and services. A significant portion of demand for these assets is generated by speculators and investors seeking to profit from the short- or long-term holding of blockchain assets. The market value of any ETH, Collectibles, and other digital assets may decline below the price for which you acquire such asset through the Service or on any other platform. You acknowledge and agree that the costs and speeds of transacting with cryptographic and blockchain-based systems are variable and may increase or decrease dramatically at any time, resulting in prolonged inability to access or use any ETH or other cryptocurrency, Collectibles, or other digital assets associated with the Service.
- (e) *Regulatory Uncertainty.* Blockchain technologies and digital assets are subject to many legal and regulatory uncertainties, and the Service, Collectibles, and other digital assets could be adversely impacted by one or more regulatory or legal inquiries, actions, suits, investigations, claims, fines or judgments, which could impede or limit your ability to continue the use and enjoyment of such assets and technologies.
- (f) *Cryptography Risks.* Cryptography is a progressing field. Advances in code cracking or technical advances such as the development of quantum computers may present risks to Rarible-Supported Blockchain(s), the Service, Collectibles, and other digital assets, including the theft, loss or inaccessibility thereof.
- (g) *Fork Handling.* Certain elements of the Service, Rarible-Supported Blockchains, NFTs, Collectibles, and other digital assets may be subject to “forks.” Forks occur when some or all persons running the software clients for a particular blockchain system adopt a new client or a new version of an existing client that: (i) changes the protocol rules in backwards-compatible or backwards-incompatible manner that affects which transactions can be added into later blocks, how later blocks are added to the blockchain, or other matters relating to the future operation of the protocol; or (ii) reorganizes or changes past blocks to alter the history of the blockchain. Some forks are “contentious” and thus may result in two or more persistent alternative versions of the protocol or blockchain, either of which may be viewed as or claimed to be the legitimate or genuine continuation of the original. Rarible may not be able to anticipate, control or influence the occurrence or outcome of forks, and does not assume any risk, liability or obligation in connection therewith. Without limiting the generality of the foregoing, Rarible does not assume any responsibility to notify you of pending, threatened or completed forks. Rarible will determine its response(s) to such forks in its sole and absolute discretion, without any duty or obligation or liability to you for such response (or lack of such response). Rarible reserves the right to only allow one NFT to be associated with the relevant metadata forming the Collectible, notwithstanding that copies of such NFT may exist on both chains following a fork. You assume full responsibility to independently remain apprised of and informed about possible forks, and to manage your own interests in connection therewith.

- (h) *Essential Third-Party Software Dependencies.* Smart Contracts deployed to Rarible-Supported Blockchains are public software utilities which are accessible directly through a Wallet. Because the Service does not provide Wallet software or Rarible-Supported Blockchain nodes, such software constitutes an essential third-party or User dependency without which the Service cannot be utilized and Collectibles and other digital assets cannot be traded or used. Furthermore, Collectible Descriptors defining the art, text or other data associated with a Collectible must be stored off of Rarible-Supported Blockchains. Collectibles created on Rarible have their Collectible Descriptors stored on the IPFS system through an IPFS node associated with a distributed cloud service (e.g., Pinata), but Rarible cannot guarantee continued operation of such IPFS node, the integrity and persistence of data on IPFS, or the distributed cloud service. Collectibles not created on Rarible may have Collectible Descriptors stored in an IPFS node associated with a third-party decentralized storage chain (e.g., Filecoin, Arweave), on a personal IPFS node, or through a third-party centralized cloud (e.g., AWS). Rarible cannot guarantee the continued operation of such third-party platforms.
- (i) *Viruses, Hacking, Phishing, Etc.* The Service, Rarible, or your NFTs may be the target of third-party attacks, including but not limited to phishing, bruteforcing, inactive listing exploits or the use of viruses (“**Third-Party Attacks**”). Rarible will not be responsible or liable, directly or indirectly, for any actual or alleged loss or damage sustained by You in connection with Third-Party Attacks.

13.4 Legal Limitations on Disclaimers. Some jurisdictions do not allow the exclusion of certain warranties or the limitation or exclusion of certain liabilities and damages. Accordingly, some of the disclaimers and limitations set forth in these Terms may not apply in full to you. The disclaimers and limitations of liability provided in these Terms will apply to the fullest extent permitted by applicable law.

13.5 Officers, Directors, Etc. All provisions of these Terms which disclaim or limit obligations or liabilities of Rarible will also apply, *mutatis mutandis*, to the officers, directors, members, employees, independent contractors, agents, stockholders, debtholders, and affiliates of Rarible.

13.6 THE SERVICE AND ALL MATERIALS AND CONTENT (INCLUDING USER CONTENT) AVAILABLE THROUGH THE SERVICE ARE PROVIDED “AS IS” AND ON AN “AS AVAILABLE” BASIS. RARIBLE DISCLAIMS ALL WARRANTIES OF ANY KIND, WHETHER EXPRESS OR IMPLIED, RELATING TO THE SERVICE AND ALL MATERIALS AND CONTENT (INCLUDING USER CONTENT) AVAILABLE THROUGH THE SERVICE, INCLUDING: (A) ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, QUIET ENJOYMENT, OR NON-INFRINGEMENT; AND (B) ANY WARRANTY ARISING OUT OF COURSE OF DEALING, USAGE, OR TRADE. RARIBLE DOES NOT WARRANT THAT THE SERVICE OR ANY PORTION OF THE SERVICE, OR ANY MATERIALS OR CONTENT (INCLUDING USER CONTENT) OFFERED THROUGH THE SERVICE, WILL BE UNINTERRUPTED, SECURE, OR FREE OF ERRORS, VIRUSES, OR OTHER HARMFUL COMPONENTS, AND RARIBLE DOES NOT WARRANT THAT ANY OF THOSE ISSUES WILL BE CORRECTED.

13.7 NO ADVICE OR INFORMATION, WHETHER ORAL OR WRITTEN, OBTAINED BY YOU FROM THE SERVICE OR RARIBLE ENTITIES OR ANY MATERIALS OR CONTENT AVAILABLE THROUGH THE SERVICE WILL CREATE ANY WARRANTY REGARDING ANY OF RARIBLE ENTITIES OR THE SERVICE THAT IS NOT EXPRESSLY STATED IN THESE TERMS. WE ARE NOT RESPONSIBLE FOR ANY DAMAGE THAT MAY RESULT FROM THE SERVICE AND YOUR PURCHASE, SALE OR TRANSFER OF ANY COLLECTIBLE OR DEALING WITH ANY OTHER USER. YOU UNDERSTAND AND AGREE THAT YOU USE ANY PORTION OF THE SERVICE AT YOUR OWN DISCRETION AND RISK, AND THAT WE ARE NOT RESPONSIBLE FOR ANY DAMAGE TO YOUR PROPERTY (INCLUDING YOUR COMPUTER SYSTEM OR MOBILE DEVICE USED IN CONNECTION WITH THE SERVICE) OR ANY LOSS OF DATA, INCLUDING USER CONTENT.

13.8 TO THE FULLEST EXTENT PERMITTED BY LAW, IN NO EVENT WILL RARIBLE ENTITIES BE LIABLE TO YOU FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL OR PUNITIVE DAMAGES (INCLUDING DAMAGES FOR LOSS OF PROFITS, GOODWILL, OR ANY OTHER INTANGIBLE LOSS) ARISING OUT OF OR RELATING TO YOUR ACCESS TO OR USE OF, OR YOUR INABILITY TO ACCESS OR USE, THE SERVICE OR ANY MATERIALS OR CONTENT ON THE SERVICE, WHETHER

BASED ON WARRANTY, CONTRACT, TORT (INCLUDING NEGLIGENCE), STATUTE, OR ANY OTHER LEGAL THEORY, AND WHETHER OR NOT ANY RARIBLE ENTITY HAS BEEN INFORMED OF THE POSSIBILITY OF DAMAGE.

13.9 EXCEPT AS PROVIDED IN SECTIONS 14.6 AND 14.7 AND TO THE FULLEST EXTENT PERMITTED BY LAW, THE AGGREGATE LIABILITY OF RARIBLE ENTITIES TO YOU FOR ALL CLAIMS ARISING OUT OF OR RELATING TO THE USE OF OR ANY INABILITY TO USE ANY PORTION OF THE SERVICE OR OTHERWISE UNDER THESE TERMS, WHETHER IN CONTRACT, TORT, OR OTHERWISE, IS LIMITED TO THE GREATER OF: (A) THE AMOUNT YOU HAVE PAID TO RARIBLE FOR ACCESS TO AND USE OF THE SERVICE IN THE 12 MONTHS PRIOR TO THE EVENT OR CIRCUMSTANCE GIVING RISE TO THE CLAIM OR (B) US\$50.

13.10 EACH PROVISION OF THESE TERMS THAT PROVIDES FOR A LIMITATION OF LIABILITY, DISCLAIMER OF WARRANTIES, OR EXCLUSION OF DAMAGES IS INTENDED TO AND DOES ALLOCATE THE RISKS BETWEEN THE PARTIES UNDER THESE TERMS. THIS ALLOCATION IS AN ESSENTIAL ELEMENT OF THE BASIS OF THE BARGAIN BETWEEN THE PARTIES. EACH OF THESE PROVISIONS IS SEVERABLE AND INDEPENDENT OF ALL OTHER PROVISIONS OF THESE TERMS. THE LIMITATIONS IN THIS SECTION 13 WILL APPLY EVEN IF ANY LIMITED REMEDY FAILS OF ITS ESSENTIAL PURPOSE.

13.11 THE LIMITATIONS, EXCLUSIONS AND DISCLAIMERS SET FORTH IN THIS SECTION 13 APPLY TO THE FULLEST EXTENT PERMITTED BY LAW. Rarible does not disclaim any warranty or other right that Rarible is prohibited from disclaiming under applicable law.

14. DISPUTE RESOLUTION

14.1 Generally. In the interest of resolving disputes between you and Rarible in the most expedient and cost effective manner, and except as described in Section 14.2 and 14.5, you and Rarible agree that every dispute arising in connection with these Terms will be resolved by binding arbitration. Arbitration is less formal than a lawsuit in court. Arbitration uses a neutral arbitrator instead of a judge or jury, may allow for more limited discovery than in court, and can be subject to very limited review by courts. Arbitrators can award the same damages and relief that a court can award. This agreement to arbitrate disputes includes all claims arising out of or relating to any aspect of these Terms, whether based in contract, tort, statute, fraud, misrepresentation, or any other legal theory, and regardless of whether a claim arises during or after the termination of these Terms.

YOU UNDERSTAND AND AGREE THAT, BY ENTERING INTO THESE TERMS, YOU AND RARIBLE ARE EACH WAIVING THE RIGHT TO A TRIAL BY JURY OR TO PARTICIPATE IN A CLASS ACTION.

14.2 Limited Survival Period for Dispute. Any dispute you may have in connection with the Service or any of the other matters contemplated by these Terms will survive for the shorter of, and may be brought against Rarible solely prior to: (a) the expiration of the statute of limitations applicable thereto; and (b) the date that is six months after the date on which the facts and circumstances giving rise to such claim or cause of action first arose.

14.3 Exceptions. Despite the provisions of Section 14.1, nothing in these Terms will be deemed to waive, preclude, or otherwise limit the right of either party to: (a) bring an individual action in small claims court; (b) pursue an enforcement action through the applicable federal, state, or local agency if that action is available; (c) seek injunctive relief in a court of law in aid of arbitration; or (d) to file suit in a court of law to address an intellectual property infringement claim.

14.4 Opt-Out. If you do not wish to resolve disputes by binding arbitration, you may opt out of the provisions of this Section 14 within 30 days after the date that you agree to these Terms by sending a letter to Rarible Inc., Attention: Legal Department – Arbitration Opt-Out, 8 The Green, Suite # 11317, Dover, US, DE, 19901 that specifies: your full legal name, the email address associated with your Account, and a statement that you wish to opt out of arbitration (“**Opt-Out Notice**”). Once Rarible receives your Opt-Out Notice, this Section 14 will be void and any

action arising out of these Terms will be resolved as set forth in Section 16.2. The remaining provisions of these Terms will not be affected by your Opt-Out Notice.

14.5 Arbitrator. Any arbitration between you and Rarible will be settled under the Federal Arbitration Act and administered by the American Arbitration Association (“**AAA**”) under its Consumer Arbitration Rules (collectively, “**AAA Rules**”) as modified by these Terms. The AAA Rules and filing forms are available online at www.adr.org, by calling the AAA at +1-800-778-7879, or by contacting Rarible. The arbitrator has exclusive authority to resolve any dispute relating to the interpretation, applicability, or enforceability of this binding arbitration agreement.

14.6 Notice of Arbitration; Process. A party who intends to seek arbitration must first send a written notice of the dispute to the other party by certified U.S. Mail or by Federal Express (signature required) or, only if that other party has not provided a current physical address, then by electronic mail (“**Notice of Arbitration**”). Rarible’s address for the Notice of Arbitration is: Rarible Inc., 8 The Green, Suite # 11317, Dover, US, DE, 19901. The Notice of Arbitration must: (a) describe the nature and basis of the claim or dispute; and (b) set forth the specific relief sought (“**Demand**”). The parties will make good faith efforts to resolve the claim directly, but if the parties do not reach an agreement to do so within 30 days after the Notice of Arbitration is received, you or Rarible may commence an arbitration proceeding. All arbitration proceedings between the parties will be confidential unless otherwise agreed by the parties in writing. During the arbitration, the amount of any settlement offer made by you or Rarible must not be disclosed to the arbitrator until after the arbitrator makes a final decision and award, if any. If the arbitrator awards you an amount higher than the last written settlement amount offered by Rarible in settlement of the dispute prior to the award, Rarible will pay to you the higher of: (a) the amount awarded by the arbitrator and (b) US\$10,000.

14.7 Fees. If you commence arbitration in accordance with these Terms, Rarible will reimburse you for your payment of the filing fee, unless your claim is for more than US\$10,000, in which case the payment of any fees will be decided by the AAA Rules. Any arbitration hearing will take place at a location to be agreed upon in the county and state of your residence or billing address, but if the claim is for US\$10,000 or less, you may choose whether the arbitration will be conducted: (a) solely on the basis of documents submitted to the arbitrator; (b) through a non-appearance based telephone hearing; or (c) by an in-person hearing as established by the AAA Rules in the county (or parish) of your residence or billing address. If the arbitrator finds that either the substance of your claim or the relief sought in the Demand is frivolous or brought for an improper purpose (as measured by the standards set forth in Federal Rule of Civil Procedure 11(b)), then the payment of all fees will be governed by the AAA Rules. In that case, you agree to reimburse Rarible for all monies previously disbursed by it that are otherwise your obligation to pay under the AAA Rules. Regardless of the manner in which the arbitration is conducted, the arbitrator must issue a reasoned written decision sufficient to explain the essential findings and conclusions on which the decision and award, if any, are based. The arbitrator may make rulings and resolve disputes as to the payment and reimbursement of fees or expenses at any time during the proceeding and upon request from either party made within 14 days of the arbitrator’s ruling on the merits.

14.8 No Class Actions. YOU AND RARIBLE AGREE THAT EACH MAY BRING CLAIMS AGAINST THE OTHER ONLY IN YOUR OR ITS INDIVIDUAL CAPACITY AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS OR REPRESENTATIVE PROCEEDING. Further, unless both you and Rarible agree otherwise, the arbitrator may not consolidate more than one person’s claims, and may not otherwise preside over any form of a representative or class proceeding.

14.9 Modifications to this Arbitration Provision. If Rarible makes any future change to this arbitration provision, other than a change to Rarible’s address for Notice of Arbitration, you may reject the change by sending us written notice within 30 days of the change to Rarible’s address for Notice of Arbitration, in which case your Account will be immediately terminated and this arbitration provision, as in effect immediately prior to the changes you rejected will survive.

14.10 Enforceability. If Section 14.8 or the entirety of this Section 14 is found to be unenforceable, or if Rarible receives an Opt-Out Notice from you, then the entirety of this Section 14 will be null and void and, in that case, the exclusive jurisdiction and venue described in Section 16.2 will govern any action arising out of or related to these Terms.

15. EMAIL COMMUNICATIONS. We may send you emails concerning our products and services, as well as those of third parties. You may opt out of promotional emails by following the unsubscribe instructions in the promotional email itself.

16. MISCELLANEOUS

16.1 General Terms. These Terms and any other agreements expressly incorporated by reference into these Terms, are the entire and exclusive understanding and agreement between you and Rarible regarding your use of the Service. You may not assign or transfer these Terms or your rights under these Terms, in whole or in part, by operation of law or otherwise, without our prior written consent. We may assign these Terms at any time without notice or consent. The failure to require performance of any provision will not affect our right to require performance at any other time after that, nor will a waiver by us of any breach or default of these Terms, or any provision of these Terms, be a waiver of any subsequent breach or default or a waiver of the provision itself. Use of Section headers in these Terms is for convenience only and will not have any impact on the interpretation of any provision. Throughout these Terms the use of the word “including” means “including but not limited to.” If any part of these Terms is held to be invalid or unenforceable, the unenforceable part will be given effect to the greatest extent possible, and the remaining parts will remain in full force and effect.

16.2 Governing law. These Terms are governed by the laws of the state of California without regard to conflict of law principles. You and Rarible submit to the personal and exclusive jurisdiction of the state courts and federal courts located within Wilmington, Delaware for resolution of any lawsuit or court proceeding permitted under these Terms.

16.3 Privacy Policy. Please read the Rarible Privacy Policy (the “**Privacy Policy**”) carefully for information relating to our collection, use, storage, and disclosure of your personal information. The Rarible Privacy Policy is incorporated by this reference into, and made a part of, these Terms.

16.4 Additional Terms. Your use of the Service is subject to all additional terms, policies, rules, or guidelines applicable to the Service or certain features of the Service that we may post on or link to from the Service (the “**Additional Terms**”). All Additional Terms are incorporated by this reference into, and made a part of, these Terms.

16.5 Consent to Electronic Communications. By using the Service, you consent to receiving certain electronic communications from us as further described in our Privacy Policy. Please read our Privacy Policy to learn more about our electronic communications practices. You agree that any notices, agreements, disclosures, or other communications that we send to you electronically will satisfy any legal communication requirements, including that those communications be in writing.

16.6 Contact Information. The Service is offered by Rarible, Inc., located at 8 The Green, Suite # 11317, Dover, US, DE, 19901. You may contact us by sending correspondence to that address or by emailing us at dispute@rarible.com.

16.7 Notice to California Residents. If you are a California resident, under California Civil Code Section 1789.3, you may contact the Complaint Assistance Unit of the Division of Consumer Services of the California Department of Consumer Affairs in writing at 1625 N. Market Blvd., Suite S-202, Sacramento, California 95834, or by telephone at +1-800-952-5210 in order to resolve a complaint regarding the Service or to receive further information regarding use of the Service.

16.8 No Support. We are under no obligation to provide support for the Service. In instances where we may offer support, the support will be subject to published policies.

16.9 International Use. The Service is intended for visitors located within the United States, although international users are welcome where permitted under applicable law. However, we make no representation that the Service is appropriate or available for use outside of the United States. Access to the Service from countries or territories or by individuals where such access is illegal is prohibited.

16.10 Headings. The headings and captions contained in these Terms are for convenience of reference only, will not be deemed to be a part of these Terms and will not be referred to in connection with the construction or interpretation of these Terms.

16.11 Successors and Assigns. These Terms will inure to the benefit of Rarible, you, and the respective permitted successors, permitted assigns, permitted transferees and permitted delegates of each, and will be binding upon all of the foregoing persons and any person who may otherwise succeed to any right, obligation or liability under these Terms by operation of law or otherwise. Unless otherwise expressly permitted under these Terms, you will not share or provide a copy of, or transfer to, any person any digital assets or the private key associated with any digital assets without notifying such person that such person will be bound by and become a party to these Terms by virtue of thereof (or if the transferor has a reasonable belief that the transferee is aware of these Terms). You will not assign any of your rights or delegate any of your liabilities or obligations under these Terms to any other person without Rarible's advance written consent. Rarible may freely assign, transfer or delegate its rights, obligations and liabilities under these Terms to the maximum extent permitted by applicable law.

16.12 Severability. In the event that any provision of these Terms, or the application of any such provision to any person or set of circumstances, will be determined by an arbitrator or court of competent jurisdiction to be invalid, unlawful, void or unenforceable to any extent: (a) the remainder of these Terms, and the application of such provision to persons or circumstances other than those as to which it is determined to be invalid, unlawful, void or unenforceable, will not be impaired or otherwise affected and will continue to be valid and enforceable to the fullest extent permitted by law; and (b) Rarible will have the right to modify these Terms so as to effect the original intent of the parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby be consumed as originally contemplated to the fullest extent possible.

16.13 Force Majeure. Rarible will not incur any liability or penalty for not performing any act or fulfilling any duty or obligation hereunder or in connection with the matters contemplated hereby by reason of any occurrence that is not within its control (including any provision of any present or future law or regulation or any act of any governmental authority, any act of God or war or terrorism, any epidemic or pandemic, or the unavailability, disruption or malfunction of the Service, Internet, the World Wide Web or any other electronic network, any Rarible-Supported Blockchain network or blockchain or any aspect thereof, or any consensus attack, or hack, or denial-of-service or other attack on the foregoing or any aspect thereof, or on the other software, networks and infrastructure that enables Rarible to provide the Service), it being understood that Rarible will use commercially reasonable efforts, consistent with accepted practices in the industries in which Rarible operates, as applicable, to resume performance as soon as reasonably practicable under the circumstances.

16.14 No Implied Waivers. No failure or delay on the part of Rarible in the exercise of any power, right, privilege or remedy under these Terms will operate as a waiver of such power, right, privilege or remedy; and no single or partial exercise of any such power, right, privilege or remedy will preclude any other or further exercise thereof or of any other power, right, privilege or remedy.
